DECISION ON ATTORNEY'S FEES AND COSTS¹

On July 26, 2024, Christy Williams filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleged that she developed a shoulder injury related to vaccine administration following a tetanus diphtheria acellular pertussis vaccine she received on February 13, 2023. Petition, ECF No. 1. On January 24, 2025, I issued a ruling on entitlement finding the Petitioner entitled to compensation. ECF No. 16. On February 14,

2025, issued a decision awarding compensation to Petitioner based on the Respondent's proffer. ECF No. 19.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$18,174.54 (representing \$17,445.00 in fees plus \$729.54 in costs). Application for Attorneys' Fees and Costs ("Motion") filed June 6, 2025, ECF No. 25. Furthermore, Petitioner filed a signed statement representing that no personal out-of-pocket expenses were incurred. ECF No. 25-4 at 1.

Respondent reacted to the motion on June 13, 2025, indicating that he is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case but deferring resolution of the amount to be awarded to my discretion. Response at 2, 4. ECF No. 26. Petitioner filed no reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. The rates requested for work performed through 2025 are reasonable and consistent with our prior determinations and will therefore be awarded.

Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 25-3 at 3-9. Respondent offered no specific objection to the rates or amounts sought. I find the requested costs reasonable and hereby award them in full.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. **Petitioner is awarded attorneys' fees and costs in the total amount of \$18,174.54 (representing \$17,445.00 in fees plus \$729.54 in costs) to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
